Called to Be God's Image Bearers-Daryl Enfield 2021-10-07 Learn about the heavenly Father's involvement in calling unto Himself a family. It is only through Scripture that one can comprehend the immeasurable love God has for those He has called. Those who eagerly search after God through prayer and through a focused study of His inspired Word will be blessed with the godly wisdom that the heavenly Father is eager to bestow on each of His children. But you cannot do this without gaining the knowledge of who you are, the relevancy of your life, and the knowledge of your spiritual

gifts. Our Father intends for each of us to use these gifts within and for the benefit of His family of families—the church. To reflect on God’s involvement in your life, you must think about influential people, nodal events, family experiences, faith experiences, achievements, educational experiences, and work experiences that have shaped who you are. The next step is to write a narrative—the story of your life. As one who is called, you will be amazed at God’s involvement in your life. The author’s story is truly a testimony to God’s involvement, as His fingerprints are evident throughout his life—just as you’ll find His touch is upon yours.

Born in His Image, Birthed in His Likeness-Donald R. Downing 2009-01 The church today is in the midst of an identity crisis. Many members of the body of Christ do not yet know who they really are. Heirs of God and joint-heirs with Christ, they nevertheless live defeated lives as spiritual paupers, unaware of their legacy: to be born in His image and birthed in His likeness. God's desire is to mold each of His children into masterpieces of His grace, to transform them into the likeness of His Son. A new heart is the key to this transformation. Our hearts must be pure and perfect if we hope to see God, and we receive a new heart only by putting on Christ and allowing Him to transform us into new creatures in His likeness. Our destiny as believers is to be like Him, but we must be totally committed to Him in our heart. Do you want to fulfill your destiny? This book will show you how to leave the mundane behind and ascend to the higher levels of godliness into the very infinite image of Christ to become God's masterpiece! Dr. Donald R. Downing is the apostle for the "gospel of the heart" message to the nations. As God's "heart specialist," he believes that inner heart transformation through faith in Christ is the key to salvation and to fulfilling our destiny as bearers of the image and likeness of Christ. A native of Oklahoma, he now lives in Maryland, where he oversees the Coalition of Hearts Churches internationally.

Family-Time Bible in Pictures-Kenneth N. Taylor 2007-08 Includes over one hundred brief Bible stories from both the Old and New Testaments, with illustrations and some discussion questions.

Disturbing Divine Behavior-Eric A. Seibert How should we understand biblical texts where God is depicted as acting irrationally, violently, or destructively? If we distance ourselves from disturbing portrayals of God, how should we understand the authority of Scripture? How does the often wrathful God portrayed in the Old Testament relate to the God of love proclaimed in the New Testament? Is that contrast even accurate? *Disturbing Divine Behavior* addresses these perennially vexing questions for the student of the Bible. Eric A. Seibert calls for an engaged and discerning reading of the Old Testament that distinguishes the particular literary and theological goals achieved through narrative characterizations of God from the rich understanding of the divine to which the Old Testament as a whole points. Providing illuminating reflections on theological reading as well, this book will be a welcome resource for any readers who puzzle over disturbing representations of God in the Bible.

Gate Crashers-Joe Kohler 2015-02-23 *Gate Crashers: The Offensive Church* makes the case that God desires to work through the church to do abundantly beyond all that we ask or think, according to the power that works within us, not because we deserve it, but for the praise, honor, and glory of his own name (Eph 3:20-21). Although much modern experience within the ranks of the professing church would cast doubt on this, the Scriptures reveal God's amazing plan and model for his church. While it may be true that our present system of church has drifted away from God's perfect design, the good news is that we can get back on track by submitting to his perfect will! Are you ready to get onboard the Offensive Church and become a gate crusher?

Portraits of God-Allan Coppedge 2009-09-20 What is God like? Answering this is the great quest of human existence. Because God is so different from us, we struggle to describe him. While doctrinal

statements about God certainly have their place in Christian understanding, the Bible more often uses God's actions and roles to help us know him better. Indeed, some of the most helpful insights in Scripture arise when God is compared to something else: a rock, an eagle or a tower. And many "human" metaphors--metaphors taken from the world of actions and relationships--bring us even closer to understanding of God. In Portraits of God, Allan Coppedge suggests we look carefully at God as our Father, Redeemer, King, Judge, Priest and Creator. These portraits taken together give us an understanding of the Holy One for which no single category is adequate. These images work their way through the whole of Scripture. They are the doorway allowing us into the mysteries of God's very being. In Portraits of God, Coppedge offers a comprehensive survey, picturing a God who wants to be known personally and who has profoundly communicated himself. Coppedge finds the inexhaustible nature of God to be one of holiness reflected in and best described by the language of diverse roles. Approaching God in this way transforms us, as churches and individuals, to reflect God's own holy character. This is a book for students, pastors and churchgoers alike. Anyone desiring to know more deeply and wholly the Christian God revealed in the Bible will find in Portraits of God a treasure of scholarship and truth.

God's Chosen: Understanding Spiritual Warfare-G. Grace Small 2013-01-14 God's Chosen: Understanding Spiritual Warfare is a book that inspires, encourages and teaches Christians to effectively manage warfare and live victoriously for Christ. It offers Christians a fresh look at the basis of putting on God's full armor and learning to use the means God affords, namely His strength and mighty power. As Believers prepare to fight triumphantly against evil and wicked forces, we come to an understanding of the challenge, purpose and outcome of spiritual warfare. Putting on God's armor and standing firm in Him, amply equips us to fight offensively and defensively. Knowing Jesus fixed the fight in our favor produces confidence to oppose the enemy and remain faithful to God. Through conscious engagement in this fight we win against all odds. In 2005, during prayer, the Holy Spirit inspired me to write this book on spiritual warfare. I was going through a precarious time and as usual, I sought God in prayer and study of the Word. The Holy Spirit led me to Ephesians 6:10-18. As I studied and meditated, God moved me to begin writing on the subject of warfare. During research and study, I discovered there are not enough books addressing this phase of our journey. Therefore, I saw the need to press through varied attacks to produce this important work.

Coming Attractions-Bob Weber 2018-06-01 In short, Coming Attractions reveals the Kingdom of God in its foundational stage. The lives and experiences narrated by the author demonstrate how God interacted with the people He chose to represent His ways. As the narrative of 1 Samuel proceeds through the episodes about Hannah, Saul, David, and others, God wants us to learn something new or affirm something old. In fact what the reader learns are the same principles that a contemporary person of faith needs to learn when encountering the God of Samuel and David. The contemporary relevance of these ancient stories is what makes the entire narrative so intriguing. The trials and victories that the individuals faced revealed much about the God they served, opened up new ways of life, moved Israel closer to her destiny, and provided the foundation for kingdom living fully revealed in Christ. In 1 Samuel as each character experienced more of God's ways, every encounter revealed new aspects of salvation history, and as the episodes unfolded, God was previewing the Kingdom established by Jesus Christ.

Strengths Of A Leader-Cecy Zeis 2018-04-29 One look at today's church, and it becomes obvious that our culture is influencing the church more than the church is influencing our culture. It has been said everything rises and falls on leadership. Too many in leadership, whether it's fear of being labeled irrelevant, out of touch, bigoted, intolerant or not walking in love have caved to the clamoring of this present godless culture. There is too much weight given to trends and statistics for church growth rather than prayer and getting before God for His plan. As leaders, we cannot expect those we

lead to rise above this present culture if we in the pulpits have not done so. A leader must be the example he desires to see in his church, in his leadership and/or organization. Instead of depending on trends and stats on how to grow our churches or ministries, we must allow God to confirm His word with signs and wonders. People are hungry for the power of God in demonstration. The Apostle Paul said he didn't come preaching with eloquence but rather came with the power and demonstration of the Word of God. It's time to allow the power and demonstration of God's Word back in our churches. To do that, we must get back to the undeniable truths of the Word of God. God will confirm His word not some watered down version of it. It is time for Christian leaders in all areas of life to once again stand strong on the immovable principles of the Word of God. The tried and true principles of the Word of God will never change with the winds of what is "popular" or what's "accepted" by the majority. God honors His word. As leaders, when we become immovable in His word, we will once again become the church that influences our culture. We have a world to reach. Let's raise the standard among church leadership.

Christ vs. Satan in Our Daily Lives-Fr. Robert Spitzer S.J. 2020-10-27 Spiritual Writer, theologian, and philosopher, Fr. Robert Spitzer S.J., tackles the topic of recognizing and overcoming spiritual evil. His focus is the human heart. His goal: our spiritual and moral transformation, which leads to true peace and genuine happiness. The book is divided into two main parts: (1) the realities of God's goodness and of spiritual evil, and (2) recognizing and overcoming the diabolical tactics of deception, temptation, and sin. The author synthesizes the best advice given by Catholic spiritual masters throughout the ages and gives a practical guide to implementing it in our busy lives. Father Spitzer provides the biblical and theological background of Jesus' victory over evil. He also explores the reality of the devil, including extraordinary manifestations of diabolic activity such as possession. With insights from modern psychology, he shows how prayer can transform the subconscious psyche, making us better able to resist temptation, detach from the world, and grow in holiness.
