**The Gravest Danger**-Sidney D. Drell 2013-09-01 The mortal danger of nuclear weapons is unique in its terrifying potential for devastation on an unprecedented and unimaginable scale. In this book, Sidney D. Drell and James E. Goodby—each with more than twenty years' experience in national security issues both in public and private capacities—review the main policy issues surrounding nonproliferation of nuclear weapons. They address the specific actions that the community of nations—with American leadership—should take to confront and turn back the nuclear danger that imperils humanity. The nuclear genie, say the authors, cannot be put back in the bottle. Our most urgent task as a nation today is to successfully manage, contain, and reduce the grave danger of nuclear weapons—whether in the hands of adversaries or friendly states. This book hopes to stimulate active public dialogue on this important subject.

**Interviewing**-Gail Sedorkin 2020-07-23 'The quintessential catch-all of journalism interviewing with tips, techniques and tales covering all interviewing forms in one easy-to-

read volume.' - Leo Bowman in Australian Studies in Journalism Good interviewing is the key to good reporting and great stories. It's a difficult skill to acquire and it can be stressful, but you can learn how to approach a total stranger and elicit information on a topic about which you know nothing. In the second edition of this widely used guide, experienced journalist Gail Sedorkin shows you step by step how to manage the interview process. She explains how to prepare, and what to do when you don't have time to do any research. She outlines the difference between 'soft' and 'hard' interviews, how to use digital tools effectively, and how to make the most of any interview situation. With tips and examples from leading journalists, and covering basic to advanced techniques, Interviewing is an essential guide for journalists, researchers and writers.

**Affective Health and Masculinities in South Africa**-Hans Reihling 2020-04-24 Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

**Gold Medal Nutrition**-Glenn Cardwell 2012-05-01 Expanded and updated, the popular Gold Medal Nutrition is back and more relevant to athletes than ever. The fifth edition sports a new look, illustrations, and current discussions of key topics, like what nutrients are needed for peak performance, how best to plan food purchasing and how to control body fat stores and gain muscle. Clear and concise, it is a practical resource for recreational and elite athletes, coaches and health professionals. With the easy-to-follow format in Gold Medal Nutrition, readers can find the advice they need in a matter of seconds. Glenn Cardwell created a resource that contains universal principles that anyone will find useful. In a comprehensive—yet accessible—text, Cardwell explains how to • get enough protein, • find the best nutritional supplements, • eat to bulk up, • select the best pre-sport meals, • drink the best fluids for sports, and • travel well and avoid jet lag. The explanations of the physiology behind fuel intake and muscle contraction will be useful to athletes who want to gain a competitive edge in any sport. The book explains how to build endurance and energy with the right mix of protein, carbohydrate, vitamins and liquids. Particularly helpful are the

tips for burning fat, building muscle and losing weight safely and sensibly. Readers will feel more confident eating out, reading food labels and even choosing supplements as they integrate these guidelines into their daily lives.

**Tell Me No Lies**-Malorie Blackman 2011-05-13 Gemma longs for her lost mother, taking comfort from the cuttings in her scrapbook; pictures of mothers who loved their children come what may. Mike is new to the area; a boy with a terrible secret to hide. A secret about his missing mother. Gemma and Mike - two kids hurt by their past and now inextricably linked. Their effect on each other's lives will be explosive.

**Sway**-Ori Brafman 2008-06-03 A fascinating journey into the hidden psychological influences that derail our decision-making, Sway will change the way you think about the way you think. Why is it so difficult to sell a plummeting stock or end a doomed relationship? Why do we listen to advice just because it came from someone "important"? Why are we more likely to fall in love when there's danger involved? In Sway, renowned organizational thinker Ori Brafman and his brother, psychologist Rom Brafman, answer all these questions and more. Drawing on cutting-edge research from the fields of social psychology, behavioral economics, and organizational behavior, Sway reveals dynamic forces that influence every aspect of our personal and business lives, including loss aversion (our tendency to go to great lengths to avoid perceived losses), the diagnosis bias (our inability to reevaluate our initial diagnosis of a person or situation), and the "chameleon effect" (our tendency to take on characteristics that have been arbitrarily assigned to us). Sway introduces us to the Harvard Business School professor who got his students to pay \$204 for a \$20 bill, the head of airline safety whose disregard for his years of training led to the transformation of an entire industry, and the football coach who turned conventional strategy on its head to lead his team to victory. We also learn the curse of the NBA draft, discover why interviews are a terrible way to gauge future job performance, and go inside a session with the Supreme Court to see how the world's most powerful justices avoid the dangers of group dynamics. Every once in a while, a book comes along that not only challenges our views of the world but changes the way we think. In Sway, Ori and Rom Brafman not only uncover rational explanations for a wide variety of irrational behaviors but also point readers toward ways to avoid succumbing to their pull.

**Web of Evil**-J.A. Jance 2008-12-09 Ali Reynolds is mad as hell and she isn't going to take it anymore! Fired from her glamorous high profile LA anchorwoman job, Ali's returned to her hometown of Sedona, Arizona to lick her wounds, shedding her old life and her old husband (the 'cheating rat') in the process. She's started a blog to help vent her feelings of betrayal: [cutlooseblog.com](http://cutlooseblog.com). But the day before their final decree nisi, Ali's estranged husband is found dead in Palm Springs - having been trussed up in the boot of a car and left on the railway tracks to be pulverized by an oncoming freight train - leaving behind him a rich estate and a pregnant fiancée. Not only is Ali the sole heir to her soon-to-be-ex-husband's estate, she's also the prime suspect in his murder. Soon she's heading down a path strewn with corpses and danger alike. But little does Ali realize the extraordinary part her blog will play in tracking down the real culprit.

**A Handbook of Gods and Goddesses of the Ancient Near East**-Douglas R. Frayne 2021-03-01 From the tragic young Adonis to Zašhapuna, first among goddesses, this handbook provides the most complete information available on deities from the cultures and religions of the ancient Near East, including Anatolia, Syria, Israel, Sumer, Babylonia, Assyria, and Elam. The result of nearly fifteen years of research, this handbook is more expansive and covers a wider range of sources and civilizations than any previous reference works on the topic. Arranged alphabetically, the entries range from multiple pages of information to a single line—sometimes all that we know about a given deity. Where possible, each record discusses the deity's symbolism and imagery, connecting it to the myths, rituals, and festivals described in ancient sources. Many of the entries are accompanied by illustrations that aid in understanding the iconography, and they all include references to texts in which the god or goddess is mentioned. Appropriate for both trained scholars and nonacademic readers, this book collects centuries of Near Eastern mythology into one volume. It will be an especially valuable resource for anyone interested in Assyriology, ancient religion, and the ancient Near East.

**Wild Fowl Decoys**-Joel Barber 2000-01-01 This authoritative volume is the only text written for the collector that contains all there is to know on the subject of wild fowl decoys. Eugene Connett, III"

**The Chicken Who Couldn't**-Jan Thomas 2020-10-06 After falling out of Farmer's truck, Chicken must find his own way home in this goofy, laugh-out-loud story about overcoming obstacles and believing in yourself. It has not been a good day for Chicken. He went to the fair with Farmer, but didn't win even one ribbon. And on the way home, the road is so bumpy that Farmer's truck knocks Chicken right out! He's been left behind! It's the end for Chicken. Surely, he can't walk all the way home. Or avoid the hungry fox along the way. Or maybe...he can? This rollicking picture book will have little ones in giggles over Chicken's misadventures and chiming in on the plucky fowl's mantra "I am a strong and powerful and nice-looking chicken!" as he achieves more than he thought possible.

**Renaissance Thought and the Arts**-Paul Oskar Kristeller 2020-06-30 Written by an eminent authority on the Renaissance, these classic essays deal not only with Paul Kristeller's specialty, Renaissance humanism and philosophy, but also with Renaissance theories of art. The focus of the collection is on topics such as humanist learning, humanist moral thought, the diffusion of humanism, Platonism, music and learning during the early Renaissance, and the modern system of arts in relation to the Renaissance. For this volume the author has written a new preface, a new essay, and an afterword.

**Moments of Grace**-Laurie Blefeld 2018-04-18 Sharing our stories, who we are, what we love, how we feel, why we fear, connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life's challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie's stories and reclaim bits and pieces of your own. "Our days are a stream of moments - some devastating, some down to earth and some filled with ineffable meaning. Laurie Blefeld has written a book full of tender moments that warm the heart and remind us to be grateful for and conscious of how laced with grace our lives really are. This is a book to enjoy and treasure."-Gunilla Norris, author of *Sheltered in the Heart* and *Companions on the Way: A Little Book of Heart-full Practices* "Laurie's transformational stories, told in her authentic and lyrical voice, are evocative of the highs and lows in everyone's life. Laurie's generous prose connects us to her family's living history - and through it to our own. She is a natural spiritual teacher. Moments of Grace is luminous, warm, comforting and filled with such good practices."- Dr. Joan Borysenko, from the Foreword

**BMW Boxer Twins**-Ian Falloon 2004 For nearly 80 years, shaft-drive boxer twins have traditionally formed the backbone of the BMW motorcycle line-up. For many enthusiasts of the Bavarian marque the classic BMW twin was the R90S of 1973-76. Over the decades, successive generations of durable machines - including the R100S, fully-faired R100RS, four-cylinder K-series, high-performance R1100RS and an entire family of touring and sporting models ranging from 850 to 1200cc - would ensure the BMW boxer twins a place in the Haynes "Great Bikes" series. This book covers: historical context, racing, the wartime R75 and R69S; the "75" series which enabled BMW to compete with the high-performance Japanese machines; the R90S, the "76" and Superbike performance; the R100RS, the "77" and the touring R100RT; smaller twins, smaller potential; the R89G/S, including a Paris-Dakar version; rationalization of the boxer range, and the new twins that included four-valve

heads and electronic engine management; and technical specifications from 1969 to 2003.

**Master Braden's Houseboy**-Brina Brady 2018-10-05 Reece was a guitar player and a singer at his grandfather's pub in Dublin until someone betrays his secret. Once he was a happy and carefree young man, who finds himself on the streets and homeless. He meets a handsome stranger, who gives him hope that the world still has people with compassion, until he discovers the man may have compassion, but he is no softie. Conner hires Reece as his houseboy. Much to his shock, Conner Braden isn't only a garda (Irish police officer), but he is also a Dom! The two men are complete opposites, but that doesn't stop Reece from wanting to win his heart. What happens when Master Braden blurs the lines between employer and Dom when Reece is his employee? **AUTHOR'S NOTE:** This book contains mild BDSM elements including restraints, blindfolds, and spanking. While the story uses characters from The Irish Runaway Series, you can read this book as a standalone.
